Re: National Society of Genetic Counselors Activity Update

Following are key highlights of National Society of Genetic Counselors (NSGC) strategic initiatives and other key activities through late August 2015. If you have questions about information not included in this report, please do not hesitate to contact me at 763-581-2923 or joy.larsen.haidle@northmemorial.com.

NSGC Membership

- As of July 25, 2015, NSGC had 3,153 members.

Board of Directors

- The NSGC Board of Directors meets monthly by phone and met in-person January 23-24, 2015 in Chicago, IL.
- The next in-person Board meeting is scheduled for October 20, 2015 in Pittsburgh, PA.

Education

- NSGC is approved as a provider of CEUs for genetic counselors. Please contact [Molly McGinnis](#), NSGC Continuing Education Coordinator, with any questions.
- The 2015 Annual Education Conference (AEC) is scheduled for October 21-24, 2015 in Pittsburgh, PA. The program has been finalized. Conference information is available on the [NSGC website](#).
- NSGC has many online educational opportunities available for additional continuing education. These cover a variety of topics such as family history, coding and billing and cultural competency. Additional information on these and other course is available to the public on the [NSGC website](#).
- Recent courses of interest include:
 - NSGC launched the online course, [Personalized and Precision Medicine](#), in June 2015. This course is focused on professional development for genetic counselors and genetics professionals.
 - In 2014 NSGC launched the educational series, [Business Foundations for Genetic Counselors](#). This series currently includes two courses, [Insurance and Credentialing 101](#) and [Billing and Coding](#). Each course includes an online didactic module, ongoing webinars, resource materials and a course participant discussion forum. Courses were developed for genetic counselors, but contain information of interest for billing and medical staff offices at institutions employing genetic counselors. Additional information is available on the [NSGC website](#).

- Recordings of all sessions from the 2014 AEC and Preconference Symposia are available [online](#).

Liaison Activities

- NSGC President Joy Larsen Haidle and President-Elect Jehannine Austin represented NSGC at the American College of Medical Genetics (ACMG) Annual Meeting in Salt Lake City, UT in March 2015.
- NSGC Immediate Past President Jennifer Hoskovec is representing NSGC as liaison to the American College of Obstetricians and Gynecologists (ACOG) Committee on Genetics.
- Amy Cronister is representing NSGC on the Inter-Society Coordinating Committee for Practitioner Education in Genomics (ISCC), a committee formed by the National Human Genome Research Institute (NHGRI) to improve genomic literacy of physicians and other practitioners and to enhance the practice of genomic medicine through sharing of educational approaches and joint identification of educational needs.
- NSGC President Joy Larsen Haidle represented NSGC at the American Society of Breast Surgeons annual meeting and delivered a presentation on "Contemporary Challenges in Genetic Testing for Breast Cancer" in collaboration with Dr. Pat Whitworth.
- Barbara Bernhardt is serving as the NSGC liaison to the "value of genetic diagnosis" committee led by Marc Williams from ACMG. The committee will focus on evidence-based medicine and contribute overall to the promotion of genetics professions and genetic services.
- Cate Walsh Vockley represents NSGC as our Organizational Representative on the HRSA Discretionary Advisory Committee on Heritable Disorders in Newborns and Children Subcommittee (DACHDNC).
- NSGC is represented on the Institute of Medicine Roundtable on Translating Genomic-Based Research for Health by Past President, Cathy Wicklund.
