

Caregiving Newsletter 2020

Our team often makes “G-Nomes” for the NIH Children’s Inn in December.

Here’s a photo from our most recent 2019 collection.

Radu – please use this as our placeholder document. The real one will also be a PDF, and several pages. As with last year, we’ll need to send it with a mail-merge email cover from the email CaregivingStudy@mail.nih.gov .

Thank you!! -Mindy. (mindy.perilla@nih.gov)
