

2/12/01

NIH Welcome

Could tell you good things you've done

with Ann  
as co-chair

This is a great day for celebration: Inage of cover?

There → now peer-reviewed journals Nature & Science / Cell

Appropriate that we mark this occasion in a Sci Symp

And that it be here at NIH

Copies of  
Nature?

Welcome { Genome Center Dir.

Advisory Council

IC Directors

Dr. Korschusien

Eric Green

Electronic

Snapshots from the genome

Dedicate this symposium to Watson & Crick

Video of Crick

Introduce Watson

Give him the CD-ROM

Introduce Waterston
