

PGX PROJECT GROUP

ISCC-PEG Annual Meeting
2/16/22

PGX SUBGROUP REPORT

- ❖ We have developed 9 expert-developed / peer-reviewed PGx education modules (~ 8h) to be made available on genome.gov for dissemination with a path for broad CE in partnership with the University of Pittsburgh.
 - ❖ Finalized module descriptions and reviewed some drafts/mock-ups in CE platform.
 - ❖ ISCC-PEG PGx education at national meetings
 - Bob Ostrander/Rose Gammal @ AAFP FMX
 - Upcoming FMX presentation in Sept, 2022

2022 PLANNING

- Disseminate education via [Genome.gov](https://www.genome.gov)
- Connect with other partners & audiences (journals, CE providers, podcasts)
- PGx education landscape assessment

PGX SUBGROUP ASKS

- ❖ Peer-review of finalized work products
- ❖ Support our two Scholars!
 - Samantha Bailey, PharmD
 - Katherine Robinson, PharmD, BCPS
- ❖ Connecting interdisciplinary between project groups
- ❖ PGx dissemination via [Genome.gov](https://www.genome.gov)
