

Concept Clearance: Research Experiences in Genomic Research for Genetic Counselors (R25)

Heather A. Colley, M.S.

Division of Genomic Medicine

Training Team

Presentation to National Advisory Council for Human Genome Research

September 18, 2023

National Human Genome
Research Institute

Background

NHGRI Training & Education Task Force (2019)

“Expand opportunities for individuals who need to round out their training to be effective genomic researchers.”

NHGRI Diversity Action Agenda (2021)

“Develop and support training, career development, and research transition programs that lead to independent research and clinical careers in genomics.”

Eligibility

- ❖ Genetic Counselors with a Master's degree
- ❖ Genetic Counselors without significant prior experience in genomic research

Details

- ❖ Five-year award
- ❖ Direct costs/year: \$250,000
- ❖ Indirect costs/year: 8%
- ❖ 50% commitment to training
- ❖ 6-24 months research experience
